

Law Enforcement Survey

1. Introduction

MADD Nebraska is currently working on an annual report about the adjudication of DUI offenses in eight counties across the state. Because of your knowledge and practice with DUI enforcement, we ask that you please take some time to complete this brief online survey.

The survey will take about 10-15 minutes to complete and consists of 14 questions. Questions marked with asterik (*) require an answer. The purpose of the survey is to learn about your experiences with the enforcement of DUI offenses in your county/region. We believe your knowledge and insight would be an invaluable contribution to our report. The four counties we are particularly interested in at this time include Gage, Lancaster, and Saline, and Saunders. Thank you for your time and feedback!

Law Enforcement Survey

2. Demographic information

Please answer the following questions.

1. In what county or counties do you work as a law enforcement officer?

Gage

Lancaster

Saline

Saunders

Other

Other (please specify)
